

How Billing Works

We only use Cashapp and you pay NOTHING TODAY but instead do this with the cleaning crew when they arrive to clean.

- if you want to leave while we are cleaning, we require 100% of the estimated amount via CashApp ONLY paid to the cleaner before you leave
- If you will stay home during the entire cleaning, you can just pay our cleaner via CashApp when they are done cleaning

Note: you can add a debit or credit card to your CashApp too. To download Cashapp before your cleaning, [go here](#).
